

**AVA'S  
RESPONSIBLE  
PET OWNERSHIP  
AMBASSADOR  
PROGRAMME**

The Agri-Food & Veterinary Authority (AVA) has launched a Responsible Pet Ownership (RPO) Ambassador Programme for Schools and would like to invite your school to partner us in this initiative to raise awareness in animal welfare and promote responsible pet ownership amongst students.

### **What is the RPO Ambassador Programme?**

In this programme, a representative from each school will work in partnership with AVA in Responsible Pet Ownership (RPO)/Animal Welfare Education.

### **How does the RPO Ambassador Programme work?**

AVA will work closely with your school through the RPO Ambassadors who will be informed of new AVA RPO events and activities (eg. talks, exhibitions, contests etc). AVA will also provide support and advise the RPO Ambassador in any animal welfare/RPO related school projects or initiatives. In addition, we will send the latest RPO resources and publications to the RPO Ambassadors.

### **Why join the programme?**

We believe that our programme will help to build a gracious society by instilling values of kindness, respect and compassion in our children. AVA will be introducing exciting new RPO activities for students later this year and the RPO Ambassadors would play an important role in implementing these activities in your school and helping students benefit from them.

### **Who can be a RPO Ambassador?**

Any teacher or staff member with an interest in animal welfare/RPO issues and championing these in their school can join.

### **How to join?**

The school can appoint their RPO Ambassador by filling up the form attached and faxing to Ms Sherry Nee at Fax: 6233 5383.

### **Need to find out more?**

Contact Ms Sherry Nee at Tel: 6325 7420 or at email: [sherry\\_nee@ava.gov.sg](mailto:sherry_nee@ava.gov.sg).

**Thank you and I look forward to your support towards this meaningful programme.**
