Meat & Fish Traders

Dear Sir/Madam

CONSIGNEE NAME ON VETERINARY HEALTH CERTIFICATE

We have received health certificates covering the imports of meat or fish into Singapore with the consignee column of the certificate incorrectly filled. For example, some state the name of the exporter while others have "To order" stated in the column. This is not acceptable as the certificate does not indicate to whom the goods are consigned to. I wish to inform you that your company's name should be shown in health certificate for meat or fish consigned to you. Meat or fish covered by health certificate with incomplete or incorrect information are liable to be rejected.

Please call me or Mr Liow Chin Chog at Tel: 63257624/17 if you have any enquiries.

Yours faithfully
