Dear Sir / Mdm

**SUSPENSION ON IMPORT OF BEEF FROM SWEDEN**

There was a recent case of Bovine Spongiform Encephalopathy (BSE) in Sweden. As Sweden is no longer free from BSE, I regret to inform you that import of beef and beef products from Sweden to Singapore is suspended with immediate effect. This includes all products on waters.

Please call me or Mr Lai Fah Choong at Tel: 6325 7313 / 6325 7624 if you have any enquiries.

Yours faithfully
