Salted/Preserved Egg Traders

Dear Sir/Madam

IMPORT OF SALTED AND PRESERVED EGGS

Further to our circular of 12 Jul 2007, we wish to inform that the list of recommended and approved salted and preserved eggs processing establishments for China has been updated. This list (attached below) has been confirmed by the Chinese authorities and accepted by AVA to replace the first list dated 11 Jul 2007.

No changes have been made to the list of approved salted and preserved eggs establishments for Vietnam.

From **13 Jul 2007**, AVA will only allow salted and preserved eggs imported from AVA-approved establishments. Every consignment of salted and preserved eggs imported into Singapore is to be accompanied with a health certificate certifying that the eggs have been tested and found to be free from Sudan red dye.

Please call me or Mr Tan Jiawen at 6325 7624 / 6325 7683 if you have any enquiries.

Yours faithfully
