# Spread the message of Responsible Pet Ownership!

## Children's Art Competition 2009

Having a pet can be a lot of fun but whilst we are enjoying our pets, we should ensure others are not being disturbed. Being considerate of how others feel or are affected by our pets can prevent your pet from being a nuisance and can help make your neighbourhood a happy place to stay!

So, let's spread the message of how important it is to be a considerate pet owner together. Show what considerate pet ownership means to you in a drawing, painting or other artwork with the theme of 'Be a Considerate Pet Owner' and send it to us and you might win a cash prize and the chance to see your artwork on pocket calendars and postcards that will be distributed all over the island!

Take part now!

Participation is free of charge and open to all children in primary one to six. For more details, log in to the Agri-Food & Veterinary Authority (AVA)'s website at [www.ava.gov.sg](http://www.ava.gov.sg).
