Salted/Preserved Egg Traders

Dear Sir/Madam

IMPORT OF SALTED AND PRESERVED EGGS

Further to our letter of 6 Jun 2007, I wish to inform you that we have just received the list of salted and preserved eggs processing establishments in China and Vietnam. We have accepted the recommended establishments and are pleased to forward you the lists.

With effect from **13 Jul 2007**, AVA will only allow salted and preserved eggs imported from the approved establishments in China and Vietnam as in the attached lists. Every consignment of salted and preserved eggs imported into Singapore is to be accompanied with a health certificate certifying that the eggs have been tested and found to be free from Sudan red dye.

AVA will provide more information on the list of establishments in countries other than China and Vietnam approved to export salted and preserved eggs to Singapore once it is finalised.

Please call me or Mr Tan Jiawen at 6325 7624 / 6325 7683 if you have any enquiries.

Yours faithfully

LAI FAH CHOONG
