Dear Sir/Madam

FROZEN DUCKS AND GOOSE FROM TAIWAN

AVA requires the ringing and removal of cloacae (anus) from frozen ducks and geese imported into Singapore. However, inspection by AVA found that a recent consignment of frozen ducks from Taiwan did not have the cloaca removed.

2 We are highlighting this incidence for your noting, so that you could remind your suppliers in Taiwan to export only frozen ducks and geese with the cloacae removed. This will help prevent rejections in the future.

3 Please call me or Mr Tan Jiawen at 6325 7313 / 6325 7683 should you have any enquiries.

Yours faithfully

Chua Lay Har (Ms)
