Dear Sir / Madam

LIFT OF SUSPENSION ON IMPORT OF SHRIMP AND SHRIMP PRODUCTS FROM SARAWAK , EAST MALAYSIA

We have received enquiries regarding the import of shrimp and shrimp products from Sarawak, East Malaysia. We are glad to inform that the Authority had lifted the suspension on prawn and prawn products from Sarawak. However, please note that import of the product has to be accompanied by a health certificate from Marine Fisheries Department Sarawak, certifying that they are not harvested from Red-Tide affected areas. You are also required to note that shrimp and shrimp products treated with sodium metabisulfate are not allowed to be imported into Singapore.

Please call me or Bernard Lee at the abovementioned telephone numbers if you have any further enquiries.

Yours faithfully

Lee Woei Sing
Senior Import and Export Officer
Animal , Meat and Seafood Regulatory Branch
