Meat Traders

Dear Sir

**LIFTING OF SUSPENSION ON IMPORT OF MEAT AND EGG PRODUCTS
FROM BELGIUM**

I am pleased to inform you that the suspension on meat and egg products from Belgium is lifted with immediate effect. The meat and egg products for export to Singapore shall be produced on or after 17 May 2000.

Consequently, there is no further need for Denmark, Finland, France, Germany, Ireland, the Netherlands, Norway, Sweden, Switzerland and the United Kingdom exporting meat and egg products to Singapore to provide additional certification that the exported consignment had not been contaminated by dioxin.

Please feel free to call me or Mr Lai Fah Choong at Tel: 63257617/24 should you have any enquiries.

Yours faithfully

LIOW CHIN CHOG
