

Update on voluntary recall of Kellogg's® Honey Smacks® cereal

The U.S. Food & Drug Administration (FDA) has expanded the recall of Kellogg's Honey Smacks cereal to include all package sizes and "best if use by" dates. This is beyond the earlier recall of the product in certain package sizes and best before dates.

2 Consumers are advised not to consume any Kellogg's Honey Smacks cereal, regardless of packaging size or "best if use by" dates.

Brand: Kellogg's

Implicated Product: Honey Smacks (any packaging size and any best before date)

Country of origin: United States

Issued by the Agri-Food & Veterinary Authority

19 June 2018
