

Voluntary recall of specific batch of Frezfrut Natural Goodness Kaya

5 May 2018: The Agri-Food & Veterinary Authority (AVA) received feedback on a foreign particle found in a bottle of “Frezfrut Natural Goodness Kaya”. AVA worked with the importer to investigate, and found that the bottle may have been contaminated with pest droppings during the manufacturing process. As a precautionary measure, the importer has voluntarily recalled the specific batch of “Frezfrut Natural Goodness Kaya”. The recall is ongoing. Details of the affected batch can be found below.

2 Consumers who have purchased the affected product are advised to not consume it.
